A Wood Craft for all. Webelos will attend 6 different sessions with Boy Scouts and Subject Matter Experts. There will also be plenty of free time and other activities to round out your Camping Fun.

## Helpful Information and Need to Know Items

### Food

Meals are available (not included with registration/camping fee) but can be purchased in East Lodge during meal times. Although, we strongly encourage meals prepared at campsites as part of your outdoor camping experience. You may camp with Boy Scout troops and will have the opportunity to observe and learn from these “seasoned campers.” It is suggested that you may want to contact the troop you will be camping with and arrange for meals to be prepared with the Boy Scouts. What a terrific learning experience!

### Cooking

Dishes and other washing must be done in the campsite. There will be running water at the camp. Proper cleaning of cooking and eating utensils is a must! Improper cleaning and rinsing can make you sick. **If you're not comfortable with cooking and cleaning at camp, please “buddy up” with a troop who does know the proper way. Although it's not mandatory to camp with a troop, it is strongly suggested, especially if you're not used to camping and cooking outdoors. All packs will be placed with a troop unless they specify ahead of time that they want to camp alone.** Stoves and lanterns using propane fuel may be used with adult supervision. **No liquid fuels to start cooking fires or campfires.**

### Fires

Campsites are assigned to assure complete use of campsite space. Fire rings which can be a fun way to meet people. Fires can only be built in the fire rings, outside the fire rings. Do NOT move the fire rings. Do not dig holes for fires or grease pits.

**Fire wood will NOT be provided.**

**Do NOT leave fires unattended; when extinguished, it must be cold to touch. Each Den provides its own fire protection, and “fire bucket” with water next to the fire. Please make sure your fire is out completely.**

### Leadership

Webelos must be under adult supervision at all times. The welfare of the individual Scout is the direct responsibility of the adult leaders and/or parents. It is the leader's responsibility to control the actions of his den, and organize free time activities for the boys. All Scouts and adult leaders should register with the Mohegan Council. Be friendly, courteous, patient, helpful, and considerate to the boys, parents, and staff members. The area you occupy is your “Camp Home” for the weekend. Den Leaders and Den Chiefs should participate with their boys in camp activities, such as openings, closings, campfire, and special events.
