American Heritage pre-requisites:

The scouts should come prepared with their family tree researched and know where their family came to this country from.

Scouting Heritage pre-requisites:

The scouts should either have visited the National Jamboree, BSA Museum, Seabase, Philmont or the centennial show that came to Boston or East Hartford during the summer. They could also write to the BSA Museum for information and bring that information to the camporee where they can do a report to satisfy that requirement.
