## *The Prizes And Surprises Of Scouting*

It was a great night for Scouting. Above, four Cub Scouts from Pack 158 in Shrewsbury gather around the Snoopy letterholders they made and displayed at last night's Blue & Gold dinner at Shrewsbury High School to mark the 50th anniversary of Cub Scouting. From left are Jim Argento, Dave Francis, James Broquist and Keith Peabody. At left, a surprise banquet was held in Fellowship Hall of the Unitarian Universalist Church to honor Herbert H. Adams of Worcester for 21 years' service as scoutmaster of Troop 54 in Worcester. Seated with Adams is Richard Dix, 10, a member of Troop 54. About 100 persons attended.
